MESSAGE

CHILDREN ARE THE FUTURE.
NURTURE THEM RIGHT, SO THAT
THEY GROW UP TO BE ABLE LEADERS
AND LEAD THE WORLD TOWARDS
LIGHT.

Mrs. Anuradha Prashant Pore

Firstly, I would like to express my gratitude to the dedicated and passionate teachers who work tirelessly to provide a nurturing and stimulating learning environment for our students. Your commitment to excellence and holistic education is truly commendable.

To our beloved students, you are the heart and soul of our school.

Your enthusiasm, curiosity, and resilience inspire us every day.

Remember, education is not merely about gaining knowledge but also developing character, empathy, and a love for lifelong learning.

Embrace the opportunities that come your way and strive for excellence in all that you do.

Parents, your unwavering support and partnership are invaluable. Thank you for entrusting us with the education and well-being of your children.

Together, let us continue to foster a strong home- school collaboration that nurtures the growth and success of our students.

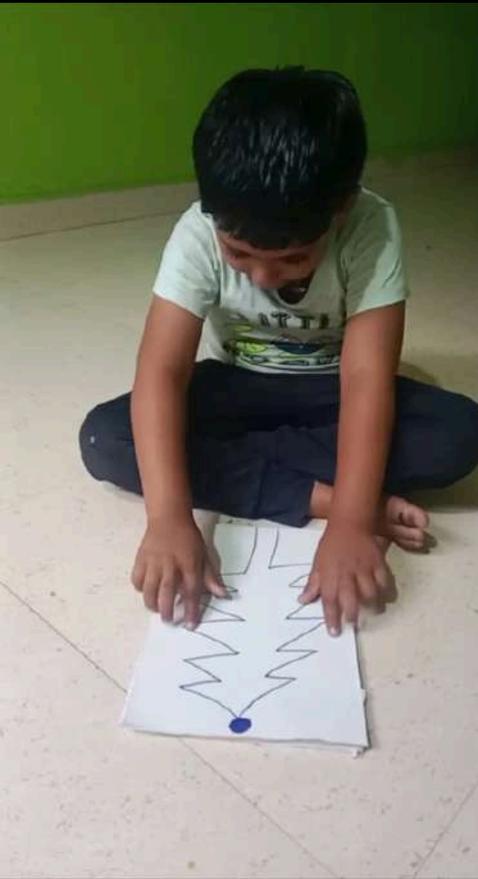

In conclusion, I am confident that together we can achieve great things.

Let us continue to strive for excellence, embrace diversity, and foster a culture of kindness and respect. Remember, as St.

Joseph's English Medium School, we are not just individuals, but a family working towards a shared vision of shaping tomorrow's leaders.

Wishing you all a successful and fulfilling academic year ahead.

Teaching and Learning

- ▶ student-centred learning, with a focus on the teacher empowering the students to learn actively supported by feedback
- ▶ development of lesson plans based on learning outcomes and sharing learning outcomes with students at the outset to ensure mutual understanding of expectations
- ▶ use of formative assessment, particularly elements of peer and self-assessment
- ▶ students are encouraged to reflect on their own work and identify areas for improvement

Principles of CBE

5. Students learn actively using different pathways and varied pacing.
6. Strategies to ensure equity for all students are embedded in the culture, structure, and pedagogy of schools and education systems.
7. Rigorous, common expectations for learning (knowledge, skills, and dispositions) are explicit, transparent, measurable, and transferable.
